**Unit:**

100 pcs/pkt

## Features

- Patented design in India & Abroad
- Highly secure & robust 6 point lock design provides highest level of security amongst all type of plastic seals
- Its two piece construction allows seal to get assembled & lock firmly at three spot as well as ultrasonic welding makes seal more secure & temper proof at another three spot thus it makes seal truly 6 point lock with no possibility of tempering
- Alpha characters provided on the strap length to prevent cutting and re-gluing
- Metal insert lock provides firm locking & much higher strength compare to normal seal
- Gripping spike provided for use on canvas/plastic bags
- Supply in easy to use stripes of 5 with no plastic waste
