

ADJUSTABLE BALL PULL UP SEAL

Application

- For sealing doors, bags, and drums

Key Industries

- Aviation
- Chemicals & Refineries
- Dairy & Food Processing
- Drug & Pharma
- Logistics & Couriers
- Oil, Gas & Offshore
- Packaging Industries

Specification

- Material:** Nylon or HDPE
- Color:**
 - Red, Yellow, Blue, Green, Orange, White are standard colors.
 - Other colors available upon request
- Operating Temp:** -40°C to +85°C
- Marking:**
 - Offer laser marking for company logo, custom text, and custom numbering
 - Hot stamp marking is available against specific requirement
- Installation:** No tool required
- Test Certificate:**
- Packing:** 100 pcs bag in all sizes
- Unit:** 100 Pcs/Pkt

Features

- Its self locking design ensures firm locking of cone - ball shaped adjustable length and accommodates varied diameter leaving no changes of failure or tempering
- Its unique design with acetal insert locking mechanism provides temper proof secure locking
- Contains no metal parts & it is recyclable
