

SIDE WAY EDGE CLIP

Application

- Edge clip is used along with cable ties for end application where drilling holes or adhesive mounts can't be fix
- Majorly used in automotive, wire harness, electrical and panel building etc.

Key Industries

Automobile • Electrical / Electronics

Specification

Material:	Nylon 66
Color:	Black
Operating Temp:	-40°C to +85°C
Flammability Rating:	UL 94V-2
Installation:	By hand
Test Certificate:	
Packing:	100 pcs bag in all sizes
Unit:	100 Pcs/Pkt

Features

- Edge clip is two piece assembly outside housing is nylon 66 body whereas inside metal clamp is assembled
- Edge clip is used along with cable tie
- Easy to push fit on any metal chassis
- It is used to keep cables maintained in vertical, horizontal or in any angle direction against the chassis"
